The Names of Jesus

TAN Books

Max Lucado's first book that journeys from the birth of Christ to His resurrection. Drawing from his classic writing on Jesus combined with new reflections and breathtaking art, Max Lucado again opens our eyes—and

hearts—to the life and work of the Savior in a way that will change lives forever. “Jesus was, at once, common and not; alternately normal and heroic. One minute blending in with the domino players in the park, the next commanding the hell out of madmen, disease out of the dying, and death out of the dead.” Who was this man who spoke as easily with kids and fishermen as widows and waves? It is the question that has echoed down through the centuries to us today, and here is a visually stunning book that answers aspects of that question.
