The 2007–09 international financial crisis underscored the importance of reliable and timely statistics on the general government and public sectors.

Government finance statistics are a basis for fiscal analysis and they play a vital role in developing and monitoring sound fiscal programs and in conducting surveillance of

economic policies. The Government Finance Statistics Manual 2014 represents a major step forward in clarifying the standards for compiling and presenting fiscal statistics and strengthens the worldwide effort to improve public sector reporting and transparency.

For courses in Introduction to Management Accounting. Get refreshed with Horngren/Sundem/Stratton's Introduction to Management Accounting, Twelfth Edition. This best-selling text offers a relevant, real-world decision-making approach to management accounting. Students develop a solid

understanding of costs and cost behavior and the use of cost information for planning and control decisions, not just inventory valuation. An exceptionally strong pedagogy and supplements package and flexible structure provide instructors with great latitude in choosing various combinations of breadth and depth, theory and procedures, simplicity and complexity. The Twelfth Edition now includes student-oriented real-world company examples such as

Nantucket Nectars and McDonalds; new "Cognitive Exercises" and "Business First" boxes, new on-line courses and tutorial software package resources, and a new CD-ROM series, "Mastering Accounting."

Experience More "I Get It" Moments both Inside and Outside of the Classroom
This solid textbook takes a student oriented approach and clearly introduces the world of accounting. The often difficult and intimidating

topics in introductory accounting courses are reinforced with a wide variety of exercises and problems allowing students to practice similar questions many times until the concepts are clear. Horngren's student oriented approach allows instructors to "Plan for Success" by improving student success and better classroom management. This new edition received substantial input from students who provided insights on how to improve the text from

their perspective.

Make the right decisions with
Horngren/Sundem/Stratton!
Horngren/Sundem/Stratton's best-selling texts emphasize decision-making throughout each chapter. Decision-making is introduced in the early text chapters and also appears in many of the text features: "Making Managerial Decisions" boxes, critical thinking exercises, and more. As

always, students develop a solid understanding of costs and cost behavior and the use of cost information for planning and control decisions, not just inventory valuation. Two text versions enable faculty to select a text that only covers management accounting concepts (Chs. 1-14) or one that includes three chapters of financial accounting review (Chs. 1-17). New OneKey provides the convenience of having all text resources in a single location and available in

your choice of course management platform: BlackBoard, WebCT, and CourseCompass. OneKey also includes PH Grade Assist on-line homework with automatic grading and infinite practice for students).

Este documento brinda la oportunidad a los lectores de conocer los principios fundamentales de la

administración como son: el componente financiero, marketing, luego conceptos básicos de producción y finalmente recursos humanos. En el primer capítulo se enfoca a comprender las finanzas de forma eficiente, eficaz y efectiva; entendiendo cómo afectan los patrones para la toma de decisiones. El capítulo 2, orientado a los principios del marketing donde inicialmente se definen los conceptos básicos del área. En el capítulo 3, El desarrollo e implementación óptima

de la producción se ha convertido en una herramienta vital para las organizaciones, donde un eficiente uso de esta es la clave para una mayor ventaja competitiva en los diferentes mercados. En el capítulo 4, La sociedad siempre se ha compuesto por organizaciones que interactúan constantemente entre sí, desde la familia, la educación, la religión, el gobierno, entre otras, los seres humanos se desarrollan en estas organizaciones y así mismo son vitales en el

funcionamiento de las mismas. Por esta razón es importante que las organizaciones sepan cómo manejar a las personas y cómo sacar el mejor provecho de los talentos humanos que existen dentro de cada una de ellas, para obtener ventajas competitivas y valor agregado que las ayuden a crecer dentro del mercado actual.
