University of Chicago Press
New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Unrequited Conquests

DigiCat
Bringing together Jamaican Maroons and indigenous communities into one framework - for the first time - McKee compares and contrasts how these non-white, semi-autonomous communities were ultimately reduced by Anglophone colonists. In particular, questions are asked about Maroon and Creek interaction with Anglophone communities, slave-catching, slave ownership, land conflict and dispute resolution to conclude that, while important divergences occurred, commonalities can be drawn between

Maroon history and Native American history and that, therefore, we should do more to draw Maroon communities into debates of indigenous issues.

The Stewardship of Don Esteban Miró, 1782-1792 Boston : G. K. Hall

A young Inca girl succeeds where her brothers and others have failed, when her bird friends help her find the special water that will cure the king's son.

British Murder Mysteries - 10 Book Collection Josh Hunter

Love poetry dominated European literature during the Renaissance. Its attitudes, conventions, and values appeared not only in courtly settings but also in the transatlantic world, where cultures were being built, power exercised, and policies made. In this major contribution to our understanding of both the Age of Exploration and early modern lyric, Roland Greene argues that love poetry was not simply a reflection of the times but a means of cultural transformation. European encounters with the Americas awakened many forms of desire, which pervaded the writings of explorers like Columbus and his contemporaries.

These experiences in turn shaped colonial society in Brazil, Peru, and elsewhere. The New World, while it could be explored, conquered, and exploited, could never really be "known"—leaving Europe's desire continually unrequited and the project of empire unfulfilled. Using numerous poetic examples and extensive historical documentation, *Unrequited Conquests* rewrites the relations between the Renaissance and colonial Latin America and between poetry and history.

Negotiating Freedom in the Circum-Caribbean Thomas Allen Publishers

New boys are on their way to the island. A young soldier who picked up the wrong woman during his twenty-four hour leave. A high school quarterback who got caught making a steroid buy. Two more pieces of livestock for the Boss to break, use, and sell. But while he's playing with his fresh catches, the Boss had better watch his back. Because his new trainer is up to something. Cody's been watching and learning. And now he's ready to make his move. Cody's got a plan, and he's got an ally. But there are things about the Boss and his operation that Cody still doesn't know. Secrets that he'll need to uncover if he's going to have any chance of taking down the man who made him a slave. There might be a way for Cody to get the time and the information that he needs to pull this off. But the price will be steep. And he'll be paying it in a way that he never expected. • Straight to gay slave MM sex story with domination and revenge •

Penguin

In this expansive book, David Narrett shows how the United States emerged as a successor empire to Great Britain through rivalry with Spain in the Mississippi Valley and Gulf Coast. As he traces currents of peace and war over four critical decades--from the close of the Seven Years War through the Louisiana Purchase--Narrett sheds new light on individual colonial adventurers and schemers who shaped history through cross-border trade, settlement projects involving slave and free labor, and military incursions aimed

at Spanish and Indian territories. Narrett examines the clash of empires and nationalities from diverse perspectives. He weighs the challenges facing Native Americans along with the competition between Spanish, French, British, and U.S. interests. In a turbulent era, the Louisiana and Florida borderlands were shaken by tremors from the American Revolutionary War and the French Revolution. By demonstrating pervasive intrigue and subterfuge in borderland rivalries, Narrett shows that U.S. Manifest Destiny was not a linear or inevitable progression. He offers a fresh interpretation of how events in the Louisiana and Florida borderlands altered the North American balance of power, and affected the history of the Atlantic world.
