### MCKENZIE MILLS

It Comes from the Heart Anchor

Internationalism in Children's Series brings together international children's literature scholars who interpret 'internationalism' through various cultural, historical and theoretical lenses. From imperialism to transnationalism, from Tom Swift to Harry Potter, this book addresses the unique ability of series to introduce children to the world.

**A Prayer for the Dying** Random House

Shhh, it's time for sleeping, for getting snuggly in my bed. But first, I say my night night prayer and bow my sleepy head. Shh, the puppy's sleeping, a toy under his chin. When he rouses from his sleep, we'll play hide-and-seek again. Night night, puppy. This lovable little nighttime prayer book has interactive dialogue for a child to repeat as they look around their world to see the sleeping

sun, trees, puppy, baby, etc. The repetition within the text and the reassuring message help little ones calm down and prepare to go to sleep. This bedtime book introduces thankfulness and prayer in an evening routine. Accompanied by endearing illustrations that depict a cozy bedtime, *A Night Night Prayer* will quickly become a "read it one more time" book for young children.

**The Prayers and Meditations of St. Anselm with the Prosligion** Allen & Unwin

Addressing the important issue of girls and self-esteem, this coming-of-age story of two girls reveals the meaning of friendship. The day Marie-Claire walks into PJ's life, everything changes. Whether they are skipping school or just hanging out on the beach, Marie-Claire can make any day an adventure. She's funny and unpredictable and full of good ideas that just might lead PJ down a troublesome path. The 1970s setting adds an interesting historical slant to this charismatic story that stresses loyalty to friends, making the right decisions, and other aspects of growing up.

**Meditations on Loss, Grief, and Healing** Springer

A vivid story of two girls' journey from Melbourne to Madras. MADRAS, 1910: two girls are caught up in a scandal that will change their lives forever. Singing and dancing across a hundred stages in

a troupe of child performers, they travel by steam-train into the heart of India. But as one disaster follows another, money runs short and tempers fray, what must the girls do to protect themselves, and how many lives will be ruined if they try to break free?

"HEAVEN HELP THE SAILOR ON A NIGHT LIKE THIS." -old folk prayer In late December 1951, laden with passengers and nearly forty metric tons of cargo, the freighter S.S. Flying Enterprise steamed westward from Europe toward America. A few days into the voyage, she hit the eye of a ferocious storm. Force 12 winds tossed men about like playthings and turned drops of freezing Atlantic foam into icy missiles. When, in the space of twenty-eight hours, the ship was slammed by two rogue waves—solid walls of water more than sixty feet high—the impacts cracked the decks and hull almost down to the waterline, threw the vessel over on her side, and thrust all on board into terror. Flying Enterprise's captain, Kurt Carlsen, a seaman of rare ability and valor, mustered all hands to patch the cracks and then try to right the ship. When these efforts came to naught, he helped transfer, across waves forty feet high, the passengers and the entire crew to lifeboats sent from

nearby ships. Then, for reasons both professional and intensely personal, and to the amazement of the world, Carlsen defied all requests and entreaties to abandon ship. Instead, for the next two weeks, he fought to bring Flying Enterprise and her cargo to port. His heroic endeavor became the world's biggest news. In a narrative as dramatic as the ocean's fury, acclaimed bestselling author Frank Delaney tells, for the first time, the full story of this unmatched bravery and endurance at sea. We meet the devoted family whose well-being and safety impelled Carlsen to stay with his ship. And we read of Flying Enterprise's buccaneering owner, the fearless and unorthodox Hans Isbrandtsen, who played a crucial role in Kurt Carlsen's fate. Drawing on historical documents and contemporary accounts and on exclusive interviews with Carlsen's family, Delaney opens a window into the world of the merchant marine. With deep affection—and respect—for the weather and all that goes with it, he places us in the heart of the storm, a “biblical tempest” of unimaginable power. He illuminates the bravery and ingenuity of Carlsen and the extraordinary courage that the thirty-seven-year-old captain inspired in his stalwart crew. This is a gripping, absorbing narrative that highlights one man's outstanding fortitude and heroic sense of duty. “One of the great sea stories of the twentieth century... [a] surefire nautical crowd-pleaser.” --Booklist é (starred review) “Frank Delaney has written a completely absorbing, thrilling and inspirational account of a disaster at sea that occasioned heroism of the first order. In the hands of a gifted storyteller, the ‘simple courage’ of the ship's captain and the young radio man who risked their lives to bring a mortally wounded ship to port reveals the essence and power of all true courage— a stubborn devotion to the things we love.” --Senator John McCain

#1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

**In the Wild Light** Thomas Nelson

Anne Lamott claims the two best prayers she knows are: "Help me, help me, help me" and "Thank you, thank you, thank you." She has a friend whose morning prayer each day is "Whatever," and whose evening prayer is "Oh, well." Anne thinks of Jesus as "Casper the friendly savior" and

describes God as "one crafty mother." Despite—or because of—her irreverence, faith is a natural subject for Anne Lamott. Since *Operating Instructions* and *Bird by Bird*, her fans have been waiting for her to write the book that explained how she came to the big-hearted, grateful, generous faith that she so often alluded to in her two earlier nonfiction books. The people in Anne Lamott's real life are like beloved characters in a favorite series for her readers—her friend Pammy, her son, Sam, and the many funny and wise folks who attend her church are all familiar. And *Traveling Mercies* is a welcome return to those lives, as well as an introduction to new companions Lamott treats with the same candor, insight, and tenderness. Lamott's faith isn't about easy answers, which is part of what endears her to believers as well as nonbelievers. Against all odds, she came to believe in God and then, even more miraculously, in herself. As she puts it, "My coming to faith did not start with a leap but rather a series of staggers." At once tough, personal, affectionate, wise, and very funny, *Traveling Mercies* tells in exuberant detail how Anne Lamott learned to shine the light of faith on the darkest part of ordinary life, exposing surprising pockets of meaning and hope.

*A True Story of Peril on the Sea* Allen & Unwin

A children's biography of Sophie and Bessie.

*The Solutions We Have and the Breakthroughs We Need* Simon and Schuster

A Comedian's Prayer Book. The title is a worry, isn't it?... God is a tough audience as far as audible response is concerned, but at least you don't have to explain the references. In this collection of prayers, much-loved comedian, broadcaster and radio host Frank Skinner has tried to retain the bare candour of the rehearsal-room improvisation - to show what faith feels like, from the inside - but infused it with all the production values required to make it a passable public entertainment. In it are his convictions, his questions, his fears, his doubts, his elations - all presented in an eavesdropper-friendly form. Hell, Judgement, atheism, money, faith and the X-Men all feature: it's a bit like reading the Bible, except you only get one side of the conversation, and all the jokes are left in.

If you've been wondering how to bring the rich traditions of the Catholic Church's liturgical year into your home and into your family, this is the book for you. If you have no idea what the liturgical calendar is, this still might be the book for you, if you are looking for ways to bring your faith home from Sunday Mass, in every season, all year long. Catholic blogger and mother of many, Kendra Tierney shares how her family incorporates traditional Catholic practices into today's family life throughout the Church year—from Advent and Christmas, through Lent and Easter, to Pentecost and beyond. She provides ideas for stories, decorations, activities, and foods that will help you to celebrate your Catholic faith with your family and friends without expertise or much advance planning. She also offers tips and tricks from her fifteen years in the Catholic mommy trenches on things like surviving bringing young children to Mass and saying a family Rosary. Whether you're a convert or a revert, an expert theologian or a brand-new Catholic, a member of a big family or a little one, a stay-at-home or a working parent, you're sure to find ways to make your Catholic faith a memorable and meaningful part of your busy family life. And have fun doing it!
