Stripped, 2nd Edition Cold Steel Publishing

Freakology is the study of FREAKS; a science developed and studied by Kimberly Stone, a radio personality and renowned Freakologist. This book is an in depth study into the lives and times of the FREAKS that surround us...a tool to help us better understand their culture.

**Cincinnati Magazine** Catapult

The editors of The Friend Who Got Away are back with a new anthology that will do for money what they did for women's friendships. Ours is a culture of confession, yet money remains a distinctly taboo subject for most Americans. In this riveting anthology, a host of celebrated writers explore the complicated role money has played in their lives, whether they're hiding from creditors or hiding a trust fund. This collection will touch a nerve with anyone who's ever been afraid to reveal their bank balance. In these wide-ranging personal essays, Daniel Handler, Walter Kirn, Jill McCorkle, Meera

Nair, Henry Alford, Susan Choi, and other acclaimed authors write with startling candor about how money has strengthened or undermined their closest relationships. Isabel Rose talks about the trials and tribulations of dating as an heiress. Tony Serra explains what led him to take a forty-year vow of poverty. September 11 widow Marian Fontana illuminates the heartbreak and moral complexities of victim compensation. Jonathan Dee reveals the debt that nearly did him in. And in paired essays, Fred Leebron and his wife Katherine Rhett discuss the way fights over money have shaken their marriage to the core again and again. We talk openly about our romantic disasters and family dramas, our problems at work and our battles with addiction. But when it comes to what is or is not in our wallets, we remain determinedly mum. Until now, that is. Money Changes Everything is the first anthology of its kind—an unflinching and on-the-record collection of essays filled with entertaining and enlightening insights into why we spend, save, and steal. The pieces in Money Changes Everything range from the comic to the harrowing, yet they all reveal the complex, emotionally charged role money plays in our lives by shattering the wall of silence that has long surrounded this topic.

How to Scam Routledge

The "breathtakingly brilliant" novel by the author of Infinite Jest (New York Times) is a deeply compelling and satisfying story, as hilarious and fearless and original as anything Wallace ever wrote. The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly

arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom-survival training, he learns of the extraordinary variety of personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. The Pale King remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions -- questions of life's meaning and of the value of work and society -- through characters imagined with the interior force and generosity that were Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time. "The Pale King is by turns funny, shrewd, suspenseful, piercing, smart, terrifying, and rousing." --Laura Miller, Salon

*The Macho Paradox* Ronnie Butler

Showcases articles written by a variety of journalists judged as finalists or winners in a contest sponsored by the American Society of Magazine Editors, and addresses topics ranging from reporting to feature writing.

*Figures of Speech* Macmillan

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

*Rejected Anchor*

BONUS: This edition contains an excerpt from Nikki Turner's Heartbreak of a Hustler's Wife. Queen of hip hop fiction Nikki Turner follows her gritty, emotionally charged novel *The Glamorous Life* with this new tale from the hood featuring a beautiful down-on-her-luck sister who can out-hustle the best of them as she rises from the ghetto to glory. After Mercy's beloved dad is murdered in cold blood on her seventh birthday, her mother gives her up to foster care. But despite an unsavory upbringing, Mercy vows to make something of herself—at all costs. Working as a concierge at a hotel notorious for its shady clientele, Mercy meets and falls hard for a notorious dealer who keeps her living large in Gucci clothes and off-the-hook apartments. Then she lands a real lucrative deal: running drugs up Interstate 95 from Miami to New York. But Mercy doesn't want to live the gangsta life forever. She's got bigger dreams. She turns legit and makes her mark, yet despite a new, cleaned-up career, she can't get the streets completely out of her blood. A sexy hustler named C-Note steals her heart. And as their relationship heats up, Mercy discovers that their pasts are hopelessly—and tragically—entwined.

*Hustler's Dirtiest Jokes* e-artnow sro

The true-life and deeply satiric odyssey of a punk-rock dropout turned porn empire overlord....

*In Lust We Trust* Penguin

The Truth About Sex and Waiting ... Uncovered and Revealed Purity. Sex. Boys. Waiting. Something about those words makes everything complex in a heartbeat. Is there something wrong with me if I don't kiss a boy after a date? Or am I doomed if I did? Is waiting a one-way trip to life as a crazy cat woman? And what if I, um, think about a certain boy a certain way? It seems the lady at church and your friends have two very different opinions on the subject. And the purity talks aren't always cutting it. Bekah Hamrick Martin knows the waiting game isn't easy or straight-forward. In *The Bare Naked Truth*, she lays everything on the table—including some embarrassing moments—as she explores the honest, naked truth behind what God means by purity. With additional entries from popular authors, you'll see the bare naked approach to waiting isn't always easy, but it's worth the risk.

*Pornland* NYU Press

Join former Penthouse Variations "Cinema Blue" columnist and current AVN Online International Correspondent Gerrie Lim as he documents the perverse universe of the porn star and exposes the curious and complex world of sex and celebrity. Read interviews with Jenna Jameson, Jill Kelly, Silvia Saint, Asia Carrera and many more adult-film superstars and find out what really happens off-camera at porn shoots.

*Modern Polygamy in the United States* Oxford University Press

NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author "Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime."—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

*Hella Nation* Zonderkidz

A fully revised and updated edition to a classic bestseller, *The Macho Paradox* is the first book to show how violence against women is a men's issue—and how all genders can come together to stop it. From the #MeToo movement to current discussions about gender norms in schools, sports, politics, and media culture, *The Macho Paradox* incorporates the voices and experiences of the women, men, and others who have confronted the problem of gender violence from all angles. Bestselling author Jackson Katz is a pioneering educator and activist on the topic of men's violence against women. In this revised edition of his heralded book, Katz outlines the ways in which cultural ideas about "manhood" contribute to men's sexually harassing and abusive behaviors and that men have a positive role to play in challenging and changing the sexist cultural norms that too

often lead to gender violence. This important book for abused women covers topics ranging from mental and emotional abuse to sexual harassment to domestic violence and is a vital read for women with controlling partners or as a self-help book for men. Praise for *The Macho Paradox*: "A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy Bancroft, author of *Why Does He Do That?: Inside the Minds of Angry and Controlling Men* *Will in the World: How Shakespeare Became Shakespeare (Anniversary Edition)* CreateSpace

"Turner tells fascinating stories of unlikely heroes and explains difficult legal issues clearly and concisely, educating and entertaining at the same time." —Elizabeth Farnsworth, PBS NewsHour Recounting controversial First Amendment cases from the Red Scare era to Citizens United, William Bennett Turner—a Berkeley law professor who has argued three cases before the Supreme Court—shows how we've arrived at our contemporary understanding of free speech. His strange cast of heroes and villains, some drawn from cases he has litigated, includes Communists, Jehovah's Witnesses, Ku Klux Klansmen, the world's leading pornographer, prison wardens, dogged reporters, federal judges, a computer whiz, and a countercultural comedian. This is a fascinating look at how the scope of our First Amendment freedoms has evolved and the colorful characters behind some of the most important legal decisions of modern times. "In *Figures of Speech*, celebrated civil rights attorney Bill Turner has crafted a rare gem: a concise, clearly written book that provides a trenchant introduction to the complexities of First Amendment law as well as riveting, behind-the-scenes accounts of some of the most controversial free-speech cases in American history. Anyone interested in politics, the law, and the future of American democracy should read this important, vigorously argued book." —Robert Perkinson, author of *Texas Tough* "Turner attempts to enlighten those with only a vague conception of their rights . . . an important reference on the First Amendment." —SFGate

*The Babysitter* Bloomsbury Publishing USA

Recipient of the 2015 PEN New England Award for Nonfiction "The arrival of a significant young nonfiction writer . . . A measured yet bravura performance." —Dwight Garner, *The New York Times* James Joyce's big blue book, *Ulysses*, ushered in the modernist era and changed the novel for all time. But the genius of *Ulysses* was also its danger: it omitted absolutely nothing. Joyce, along with some of the most important publishers and writers of his era, had to fight for years to win the freedom to publish it. *The Most Dangerous Book* tells the remarkable story surrounding *Ulysses*, from the first stirrings of Joyce's inspiration in 1904 to the book's landmark federal obscenity trial in 1933. Written for ardent Joyceans as well as novices who want to get to the heart of the greatest novel of the twentieth century, *The Most Dangerous Book* is a gripping examination of how the world came to say Yes to *Ulysses*.

*Son of the Gambler Man* Jon B Barry

The companion debut title to *hungry?* in the *Glove Box Series* is *thirsty?*, an L.A. insider's road map to all the best places to caffeine up, cool down or sip a smart drink.*thirsty?* travels the streets and highways of this vast metropolis -- through downtown, the suburbs and outlying areas -- to explore the communities' best beverages. From guanabana juice and horchata to tantalizing chai teas to double-tall-nonfat soy lattes -- all that's worth knowing, and drinking, is in this book. *Thirsty yet?thirsty?* tells the reader where the drinks are good, where they're O.K. and what the best choices are at each bar. Can't tell the difference between a latte and a cappuccino? *thirsty?* knows -- and can tell you where to get the best.Categorized by neighborhood, *thirsty?* spans out across the city, exploring the variety of smoothies from East L.A., and whether Sex on the Beach is better in Manhattan Beach or Malibu.Filled with neighborhood types of places where the reader can buy a quality beverage and maybe linger awhile, *thirsty?* is a comprehensive directory of everything drinkable, but with all the insider attitude that characterizes Really Great Books' *Glove Box Guides*.With *thirsty?* 's insider tips and behind-the-scenes trivia, readers can transform themselves into regulars at the coolest watering holes in the city!  
[Riding Dirty on I-95](#) Citadel Press

Public and academic debate about 'porn culture' is proliferating. Ironically, what is often lost in these debates is a sense of what is specific about pornography. By focusing on pornography's mainstream - contemporary commercial products for a heterosexual male audience - *Everyday Pornography* offers the opportunity to reconsider what it is that makes pornography a specific form of industrial practice and genre of representation. *Everyday Pornography* presents original work from scholars from a range of academic disciplines (Media Studies, Law, Sociology, Psychology, Women's Studies, Political Science), introducing new methodologies and approaches whilst reflecting on the ongoing value of older approaches. Among the topics explored are: the porn industry's marketing practices (spam emails, reviews) and online organisation commercial sex in *Second Life* the pornographic narratives of phone sex and amateur videos the content of best-selling porn videos how the male consumer is addressed by pornography, represented within the mainstream, understood by academics and contained by legislation. This collection places a particular emphasis on anti-pornography feminism, a movement which has been experiencing a revival since the mid-2000s. Drawing on the experiences of activists alongside academics, *Everyday Pornography* offers an opportunity to explore the intellectual and political challenges of anti-pornography feminism and consider its relevance for contemporary academic debate.

*Money Changes Everything* Columbia University Press

Besides being born and dying, the most common human experience is being rejected—dissed, dumped on, or downsized—by lovers, parents, and employers. Now here's a hilarious collection of rejection stories—and rejected works—by some of today's most accomplished comic writers and performers (some world famous) sharing their pieces that were ripped to pieces and their own experiences of being handed their hats, heads, and hearts on a platter. • Bob Witfong recalls being hired as a correspondent by *The Daily Show* but never called in to work; then being fired by mistake; then going on air and called "creepy" by bloggers; and then actually being fired. • Meredith Hoffa has her pubescent crush destroyed by a new haircut modeled on Mary Stuart Masterson's in *Some Kind of Wonderful* just when "the size of my face and body had caught up to the gigantic size of my teeth." • Joel Stein (celebrity interviewer for *Time*) receives an earful from Buddy Hackett who, before slamming down the phone, says: "You're being kind of, what do you call it, I don't know, those wise-guy papers? Tabloids." • Dave Hill offers his piece for a British "lad" mag in which he went undercover with a police vice squad, an article killed because he didn't go "far enough" with a transvestite prostitute. • Jackie Cohen fails her audition

for the synagogue choir—at age five. And many more too painful to mention. Featuring essays, jokes, sketches, cartoons, and articles passed on by venues as varied as Saturday Night Live and Reader's Digest, *Rejected* is a priceless compilation that reminds us it's a-okay to be a big loser.

*Sex, Lies & Politics* W. W. Norton & Company

Here's the American legal system in all of its black and white, glorious dysfunction: clients, lawyers, courts, prosecutors, defendants, defense attorneys, law enforcement; lawsuits, divorce, law school, courtrooms, convictions and acquittals. Because there just isn't enough crude cartoon humor about law and order in America, this book is here to fill the gap and entertain those in and out of the legal system with a sardonic look at justice in action. Chris Manno's law background includes several parking citations, one illegal turn (dismissed in court), plus three months and over three thousand felony indictments refereed as foreman of a grand jury, which was a complete OMFG experience.
