List of International Harvester vehicles | Tractor ... IH Farmall Tractors. International Harvester (IH) began the decade of the 50s as the dominant tractor manufacturer in the world, and they continued to introduce new and better models through the '60s. But internal problems hurt their sales and IH slipped from number one in market share to number two behind John Deere by the end of the '60s. The 1950s began with IH replacing their "Letter ... IH Farmall Tractors - Living History Farm The Farmall, in 1924, sparked a revolution in tractor design. The Farmall introduced the tricycle style row-crop tractor. It could not only plow, but was capable of precision work such as cultivating. International Harvester's agricultural operations were merged with the J. I. Case Company in 1985. Equipment is still manufactured
