maps -350 towns and attractions -More
highway memorabilia -Mini-tours-rentals-
discounts -Chicago-L.A. mileage table
Route 66 Still Kicks Voyageur Press
DIVThere is perhaps no better visual
record of Route 66's iconic sites than
the thousands of illustrated and
photographic postcards that have been
produced over the years to promote the
Mother Road's motels, hotels, tourist
traps, trading posts, bustling burgs,
greasy spoons, and natural wonders.
This massive collection gathers together
more than 400 of the finest examples of
postcard art from Route 66's golden
age: the 1930s through the mid-1960s,
an era before long-distance car travel
was largely supplanted by the
airlines./divDIV/divDIVRoute 66 historian
Joe Sonderman has curated the very
best out of his 20,000-card archive to
document a journey down the Mother
Road through the decades, state-by-
state from east to west. Visit landmark
stops like the Rock Village Court, the
Meramec Caverns, Mule Trading Post,
and Wigwam Village in cities that include
Chicago, Springfield, Amarillo,
Tucumcari, Flagstaff, Barstow, Santa
Monica, and many, many
more./divDIV/divDIVThe fruit of
Sonderman's labor is the definitive
book collection of Route 66 postcards.
Postcards from Route 66 is a valuable
visual reference documenting the

evolution of the famous highway and its
equally famous roadside stops as well as
a historical record of the time period,
complete with many notes both hastily
scribbled and thoughtfully composed by
Route 66 travelers through the
decades./div

A Separate Peace Rowman & Littlefield
United States Army in Vietnam. CMH
Pub. 91-13. Draws upon previously
unavailable Army and Defense
Department records to interpret the part
the press played during the Vietnam
War. Discusses the roles of the following
in the creation of information policy:
Military Assistance Command's Office of
Information in Saigon; White House;
State Department; Defense Department;
and the United States Embassy in
Saigon.

Route 66 Adventure Handbook ABRAMS

This authoritative guide to those
annoying and embarrassing tricks
everyone grows up with (and maybe
never outgrow) provides "sage" advice
for the young and the young at heart.
Arranged in encyclopedic format, each of
the more than 50 entries includes a
formal definition of the prank, followed
by tips for execution and
countermeasures. Illustrations document
the best technique for affixing a "kick
me" sign to someone's back, or how to
wriggle out of a noogie-giver's clutches.
A ranking system places each act on a
scale of 1 to 10 for its degree of pain,
embarrassment, annoyance, and degree
of difficulty. Other fun and irritating
tricks include the Burp 'n' Blow, the Rat
Tail, the Eskimo Hook, and the Marker
'Stache.

The Disappearing Spoon Hachette UK

This lively, practical text presents a fresh and comprehensive approach to doing qualitative research. The book offers a unique balance of theory and clear-cut choices for customizing every phase of a qualitative study. A scholarly mix of classic and contemporary studies from multiple disciplines provides compelling, field-based examples of the full range of qualitative approaches. Readers learn about adaptive ways of designing studies, collecting data, analyzing data, and reporting findings. Key aspects of the researcher's craft are addressed, such as fieldwork options, the five phases of data analysis (with and without using computer-based software), and how to incorporate the researcher's "declarative" and "reflective" selves into a final report. Ideal for graduate-level courses, the text includes: * Discussions of ethnography, grounded theory, phenomenology, feminist research, and other approaches. * Instructions for creating a study bank to get a new study started. * End-of-chapter exercises and a semester-long, field-based project. * Quick study boxes, research vignettes, sample studies, and a glossary. * Previews for sections within chapters, and chapter recaps. * Discussion of the place of qualitative research among other social science methods, including mixed methods research.

Public Affairs University of Oklahoma Press

The Coding Manual for Qualitative Researchers is unique in providing, in one volume, an in-depth guide to each of the multiple approaches available for coding qualitative data. In total, 29 different approaches to coding are covered, ranging in complexity from beginner to advanced level and covering the full range of types of qualitative data from interview transcripts to field notes.

For each approach profiled, Johnny Saldaña discusses the method's origins in the professional literature, a description of the method, recommendations for practical applications, and a clearly illustrated example.

The Huntington Family in America
Guilford Press

Tells the story of the legendary road, Route 66, begun in the early 1920s that covered 2400 miles from Chicago to Los Angeles.

Air Force Combat Units of World War II Macmillan

Route 66 Adventure Handbook is your personal guide to the vanishing American roadside, with all of its exuberance, splendor, and absurdity. For this updated and expanded fourth edition, Drew Knowles has included it all: magnificent architecture, natural wonders, Art Deco masterpieces, vintage motels and cafes, unique museums, offbeat attractions, fascinating artifacts and icons, and kitschy tourist traps. The addition of city maps, showing the multiple paths of Route 66 and displaying the exact locations of points of interest, is a major improvement over the already critically acclaimed third edition of the book. The fourth edition also includes hundreds of beautiful new photographs and the addition of dozens of new attractions. Filled with wonderfully quirky side trips and fun bits of trivia, Route 66 Adventure Handbook is the most authoritative resource for anyone looking to explore the Mother Road. Fasten your seatbelts!

A Century of Artists Books Farrar, Straus and Giroux

Route 66 Adventure Handbook is your personal guide to the vanishing American roadside, with all of its exuberance, splendor, and absurdity. For

this updated and expanded sixth edition, Drew Knowles has included it all: magnificent architecture, natural wonders, Art Deco masterpieces, vintage motels and cafes, unique museums, offbeat attractions, fascinating artifacts and icons, and kitschy tourist traps. The addition of more city maps, showing the multiple paths of Route 66 and displaying the exact locations of points of interest, is a major improvement over the already critically acclaimed fifth edition of the book. The sixth edition also includes hundreds of beautiful new photographs and the addition of dozens of new attractions. Knowles has also added QR codes for certain locations that will enable the reader to access additional online material, such as more photos, video clips, and scans of vintage memorabilia. Additionally, GPS coordinates have been included for virtually all of the photos, so that travelers can plug the information into their smartphones and other navigation devices and instantly determine where each photo was taken and compare it to the condition of that particular site at the time of their visit. Filled with wonderfully quirky side trips and fun bits of trivia, *Route 66 Adventure Handbook* is the most authoritative resource for anyone looking to explore the Mother Road. Fasten your seat belts!

Resistance and Persuasion is the first book to analyze the nature of resistance and demonstrate how it can be reduced, overcome, or used to promote persuasion. By examining resistance, and providing strategies for overcoming it, this new book generates insight into new facets of influence and persuasion. With contributions from the leaders in the field, this book presents original

ideas and research that demonstrate how understanding resistance can improve persuasion, compliance, and social influence. Many of the authors present their research for the first time. Four faces of resistance are identified: reactance, distrust, scrutiny, and inertia. The concluding chapter summarizes the book's theoretical contributions and establishes a resistance-based research agenda for persuasion and attitude change. This new book helps to establish resistance as a legitimate sub-field of persuasion that is equal in force to influence. *Resistance and Persuasion* offers many new revelations about persuasion: *Acknowledging resistance helps to reduce it. *Raising reactance makes a strong message more persuasive. *Putting arguments into a narrative increases their influence. *Identifying illegitimate sources of information strengthens the influence of legitimate sources. *Looking ahead reduces resistance to persuasive attempts. This volume will appeal to researchers and students from a variety of disciplines including social, cognitive, and health psychology, communication, marketing, political science, journalism, and education.

Getting the message through: A Branch History of the U.S. Army Signal Corps Roadtrippers

Through the stories of one of Canada's most enthusiastic travellers explore the famous American highway that inspired the likes of Al Capone, Salvador Dali, Mickey Mantle, and the countless fans of this iconic American landmark.

Amy Bizzarri, a Route 66 expert and enthusiast, provides a comprehensive list of 100 unique stops that you'll want to take a moment to explore as you journey along the highway's 2,500 miles. The Best Hits on Route 66 also includes specialized itineraries with themes that make it easier than ever to plan a road trip to remember. Check out: - Gearhead's Guide to Route 66 - Hollywood on 66 - Native American History on Route 66 - Mother Road for Music Lovers - The Mother Road with Kids - Natural Wonders of Route 66 - Speedy 66: Chicago to Santa Monica in Six Days - and Supernatural 66 *Atomic Wedgies, Wet Willies, & Other Acts of Roguery* Voyageur Press (MN) The world's most amazing guide to Route 66 just got even better. This expanded second edition has: More photographs Every Rt 66 community now indexed for easy locating Orientation maps for all eight states Freshly updated information throughout Now includes the revealing "Book of Revolutions"! And STILL with the same great features that thousands of Mother Road explorers continue to swear by: How to Find Route 66 - a step by step guide to the techniques that help identify authentic highway stretches, whether marked or not Town by town descriptions of unique features, must-see attractions, and local history Further Afield - our famous suggestions for short side trips that enrich your Route 66 experience even more Bonus: Information on the many other colorful byways that Route 66 encounters along the way -- including the National Road, the Chisholm Trail, and many more -- that are sure to inspire even further exploration [Route 66 Adventure Handbook, 6th Edition](#) DIANE Publishing An encyclopedia with a twist, The Route

66 Encyclopedia presents alphabetical entries on Route 66 history, landmarks, personalities, and culture, from Bobby Troup's anthem "Route 66" to The Grapes of Wrath to the Wigwam Motel, illustrated with over 1,000 old and new, color and black-and-white photos and memorabilia. You'll learn about Jack Rittenhouse and Will Rogers as well as the contributions of lesser-known figures like Arthur Nelson and Angel Delgadillo. With references to the old (including the history of the U Drop Inn Caf  in Texas) and new (including a section about the recent Cars movie), The Route 66 Encyclopedia provides a sweeping look at a highway that has become more than just a road. These pages cover the history of Route 66 and the people who played a role in its transformation from highway to icon between 1926 and the present, but like the highway itself, this work does not fit within the traditional confines of generalities or terminology. Yes, this is an encyclopedia, a reference book for all things Route 66. However, it is also a time capsule, a travel guide, a history book, a memorial, a testimonial, and a chronicle of almost a century of societal evolution.

Route 66 Then and Now®

Government Printing Office

The narratives in this book are of journeys made in three wildernesses - on a coastal island, in a Western mountain range, and on the Colorado River in the Grand Canyon. The four men portrayed here have different relationships to their environment, and they encounter each other on mountain trails, in forests and rapids, sometimes with reserve, sometimes with friendliness, sometimes fighting hard across a philosophical divide.

Moon Route 66 Road Trip New York : T.A. Wright

In every major city in the world there is a housing crisis. How did this happen and what can we do about it? Everyone needs and deserves housing. But today our homes are being transformed into commodities, making the inequalities of the city ever more acute. Profit has become more important than social need. The poor are forced to pay more for worse housing. Communities are faced with the violence of displacement and gentrification. And the benefits of decent housing are only available for those who can afford it. In *Defense of Housing* is the definitive statement on this crisis from leading urban planner Peter Marcuse and sociologist David Madden. They look at the causes and consequences of the housing problem and detail the need for progressive alternatives. The housing crisis cannot be solved by minor policy shifts, they argue. Rather, the housing crisis has deep political and economic roots—and therefore requires a radical response.
