As you analyze the documents, take into account both the source of the document and the author's point of view.

ANCIENT GREEK CONTRIBUTIONS DBQ Get Access. Socrates and Aristotle were both Greek philosophers who contributed philosophies. Socrates believed that all people contained real knowledge within them and that self critical examination was needed to bring this knowledge out. Socrates once stated, "The unexamined life is not worth living." In this

philosophical idea, Socrates is suggesting that an individual, who chooses to not think about their own actions, does not truly care about their own life.
