### **The Practice of Deceit** HarperCollins

This is not your mother's memoir. In *The Chronology of Water*, Lidia Yuknavitch, a lifelong swimmer and Olympic hopeful escapes her raging father and alcoholic and suicidal mother when she accepts a swimming scholarship which drug and alcohol addiction eventually cause her to lose. What follows is promiscuous sex with both men and women, some of them famous, and some of it S&M, and Lidia discovers the power of her sexuality to help her forget her pain. The forgetting doesn't last, though, and it is her hard-earned career as a writer and a teacher, and the love of her husband and son, that ultimately create the life she needs to survive.

Chelsea Cain's novels featuring Portland detective Archie Sheridan and serial killer Gretchen Lowell have captivated fans through two nail-biting entries, *Heartsick* and *Sweetheart*, both of them multiweek bestsellers in *The New York Times*, *USA Today*, and *Publishers Weekly*. Gretchen Lowell is still on the loose.

These days, she's more of a cause célèbre than a feared killer, thanks to sensationalist news coverage that has made her a star. Her face graces magazine covers weekly and there have been sightings of her around the world. Most shocking of all, Portland Herald reporter Susan Ward has uncovered a bizarre kind of fan club, which celebrates the number of days she's been free. Archie Sheridan hunted her for a decade, and after his last ploy to catch her went spectacularly wrong, remains hospitalized months later. When they last spoke, they entered a détente of sorts---Archie agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off and Archie is forced back into action. Has the Beauty Killer returned to her gruesome ways, or has the cult surrounding her created a whole new evil? Chelsea Cain continues to deliver heart-stopping thrills and chills in the latest entry in this dynamic bestselling series.

Now a TV series starring Leven Rambin, Chris Noth, and Danny Pino, premiering on February 27th on WGN America! From the critically acclaimed author of the Archie Sheridan and Gretchen Lowell series, an "utterly exhilarating and emotionally rich" thriller that will have "your heart in your throat" (Megan Abbott, bestselling author of *Dare Me*). Twenty-one-year-old Kick Lannigan is a survivor. She can pick any lock, fire any weapon, throw any knife, and aim a punch at her opponent's trachea. And when the enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high-level contacts, and details of Kick's background long kept sealed by the court. Yet everything he tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart-ass by self-determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes to see justice served...if they don't kill each other first. For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking. Critically acclaimed as "excruciating...compelling" (Booklist, starred review) and "propulsive" (People), *Gone* is a high-octane and hard-hitting thriller you won't be able to put down. \*Originally published as *One Kick* (Simon & Schuster, 2014)

In the sleepy rural town of Painters Mill, Ohio, the Amish and "English" residents have lived side by side for two centuries. But sixteen years ago, a series of brutal murders shattered the peaceful farming community. In the aftermath of the violence, the town was left with a sense of fragility, a loss of innocence. Kate Burkholder, a young Amish girl, survived the terror of the Slaughterhouse Killer but came away from its brutality with the realization that she no longer belonged with the Amish. Now, a wealth of experience later, Kate has been asked to return to Painters Mill as Chief of Police. Her Amish roots and big city law enforcement background make her the perfect candidate. She's certain she's come to terms with her past—until the first body is discovered in a snowy field. Kate vows to stop the killer before he strikes again. But to do so, she must betray both her family and her Amish past—and expose a dark secret that could destroy her.

With the Beauty Killer Gretchen Lowell locked away behind bars once again, Archie Sheridan—a Portland police detective and nearly one of her victims—can finally rest a little easier. Meanwhile, the rest of the city of Portland is in crisis. Heavy rains have flooded the Willamette River, and several people have drowned in the quickly rising waters. Or at least that's what they thought until the medical examiner discovers that the latest victim didn't drown: She was poisoned before she went into the water. Soon after, three of those drownings are also proven to be murders. Portland has a new serial killer on its hands, and Archie and his task force have a new case. Reporter Susan Ward is chasing this story of a new serial killer with gusto, but she's also got another lead to follow for an entirely separate mystery: The

flooding has unearthed a skeleton, a man who might have died more than sixty years ago, the last time Portland flooded this badly, when the water washed away an entire neighborhood and killed at least fifteen people. With Archie following the bizarre trail of evidence and evil deeds to catch a killer and possibly regain his life, and Susan Ward close behind, Chelsea Cain—one of today's most talented suspense writers—launches the next installment of her bestselling series with an electric thriller.

For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking. Critically acclaimed as "excruciating...compelling" (Booklist, starred review) and "a propulsive new thriller" (People), *One Kick* is an engrossing, entertaining new novel you won't want to miss.

Zach Barrows is a cocky, ambitious White House employee until he's abruptly transferred out and partnered with Nathaniel Cade, a secret agent sworn to protect the president. But Cade is no ordinary civil servant. Bound 140 years ago by a special blood oath, Nathaniel Cade is a vampire. On the orders of the president he defends the nation against enemies far stranger-and even more dangerous-than civilians like Zach could ever imagine. An Archie Sheridan / Gretchen Lowell Novel Minotaur Books It was expecting them. Conrad and Joanna Harrison, a young couple from Los Angeles, attempt to save their marriage by leaving the pressures of the city to start anew in a quiet, rural setting. They buy a Victorian mansion that once served as a haven for unwed mothers, called a birthing house. One day when Joanna is away, the previous owner visits Conrad to bequeath a vital piece of the house's historic heritage, a photo album that he claims "belongs to the house." Thumbing through the old, sepia-colored photographs of midwives and fearful, unhappily pregnant girls in their starched, nineteenth-century dresses, Conrad is suddenly chilled to the bone: staring back at him with a countenance of hatred and rage is the image of his own wife.... Thus begins a story of possession, sexual obsession, and, ultimately, murder, as a centuries-old crime is reenacted in the present, turning Conrad and Joanna's American dream into a relentless nightmare. An extraordinary marriage of supernatural thrills and exquisite psychological suspense, *The Birthing House* marks the debut of a writer whose first novel is a terrifying tour de force.
