NOEMI KIRSTEN

An Introduction to Health Psychology Thomas Nelson Publishers
This printed test bank accompanies the text, Abnormal Psychology - an introduction to psychopathology which has been thoroughly revised and updated.

Psychology Wiley

Created through a "student-tested, faculty-approved" review process with students and faculty, PSYCH 2ce is an engaging and accessible solution that accommodates the diverse lifestyles of Canadian students at a value-based price. PSYCH 2ce is an extremely concise, visually appealing text that introduces psychology concepts without any delays or distractions. Designed for today's students in every detail, this unique solution was developed through conversations, focus groups, interviews,

surveys, and input from thousands of students and hundreds of faculty members like you. From its abbreviated, no-nonsense title to its engaging, effective content, PSYCH 2ce ushers in a groundbreaking new genre of introductory psychology texts that's perfect for modern learners.

Introduction to Psychology Allyn & Bacon

This book is designed to help students organize their thinking about psychology at a conceptual level. The focus on behaviour and empiricism has produced a text that is better organized, has fewer chapters, and is somewhat shorter than many of the leading books. The beginning of each section includes learning objectives; throughout the body of each section are key terms in bold followed by their definitions in italics; key takeaways, and exercises and critical thinking activities end each section.

Introduction to Personality Wiley

This is a great psychometric collection and contains numerous tests and questionnaires. This volume provides psychology tests and questionnaires in below Category: Education.
