In this heartwarming essay collection, dozens of authors, actors, artists and others imagine one last lunch with someone they cherished. A few years ago, Erica Heller realized how universal the longing is for one more moment with a lost loved one. It could be a parent, a sibling, a mentor, or a friend, but who wouldn't love the opportunity to sit down, break bread, and just talk? Who wouldn't jump at the chance to ask those unasked questions, or share those unvoiced feelings? In *One Last Lunch*, Heller has asked friends and family of authors, artists, musicians, comedians, actors, and others, to recount one such fantastic repast. Muffie Meyer and her documentary subject Little Edie Beale go to a deli in Montreal. Kirk Douglas asks his father what he thought of him becoming an actor. Sara Moulton dines with her friend Julia Child. The Anglican priest George Pitcher has lunch with Jesus. And Heller herself connects with her father, the

renowned author Joseph Heller. These richly imagined stories are endlessly revealing, about the subject, the writer, the passage of time, regret, gratitude, and the power of enduring love.

It took losing nearly everything, to discover what they can't live without. A few excruciating minutes pinned under a burning beam cost Ryan Ward his job as a firefighter, the easy camaraderie of his coworkers, his current girlfriend, and damn near cost him his left leg. Giving up, though, wasn't an option. He fought and won the battle back to health, over a painful year. Now, choosing a new profession, going back to school, and renting a room from the college groundskeeper should be simple. Until he realizes he's falling in love with his housemate, and things take a turn for the complicated. John Barrett knows about loss. After moving twice to stay in touch with his kids, he could only watch as his ex-wife whisked them away to California. Offering Ryan a room seems better than rattling around his empty house alone. But as casual friendship moves to something more, and emotions heat up, the big old house feels like tight quarters. It's nothing they can't learn to navigate, until life adds in unhappy teen kids, difficult family members, and mysterious deaths on campus. Rebuilding will be far from easy, even for two guys willing to open their minds, and hearts.

Mark as Recovery Story interprets the Gospel of Mark in terms of alcoholism and Twelve-Step recovery. Identifying numerous previously unrecognized ambiguities in the gospel's Greek text, John Mellon portrays Mark's mysterious "insider" audience as a fellowship of ex-inebriates turned waterdrinkers, alcoholics whose spirituality of powerlessness resembled that of Alcoholics Anonymous today. Mellon discovers in Mark, the most enigmatic of the Jesus narratives, genre features of the former drunkard's sobriety story, and he reconstructs the first-person story Jesus would have told on his return to Galilee, culminating in his Last Supper words about wine and his Gethsemane prayer for removal of the cup.
